During the comment period, OTS received a written request to extend the comment period until January 10, 2002. The requestor, an association representing financial organizations, sought an extension to permit its member institutions to have time to review the proposal, consider its implications, and develop meaningful comments.

In response to this request, OTS is extending the comment period for the proposed rule until January 10, 2002. This will allow time for the requestor and other interested persons to develop and submit comments on the proposed rule.

OTS encourages e-mail or facsimile submissions to ensure that it receives comments in a timely manner, in light of recent experience with postal service interruptions in the Washington, DC area.

Dated: December 3, 2001.

By the Office of Thrift Supervision.

Ellen Seidman,
