All sites offered will be evaluated by USMS in a DEIS that will analyze the potential impacts of detention facility construction and operation at the prospective sites.

The Process

In the process of evaluating prospective sites, many factors and features will be analyzed including, but not limited to: topography, geology/soils, hydrology, biological resources, utility services, transportation services, cultural resources, land uses, socio-economics, hazardous materials, air and noise quality, among others.

Alternatives

In developing the DEIS, the No Action alternative and alternative sites for the proposed contract detention facility will be examined.

Scoping Process

During the preparation of the DEIS, there will be opportunities for public involvement in order to determine the issues to be examined. Public Scoping Meetings will be held in and around communities under consideration for development of the contract detention facility at times, dates and at locations to be determined. The meeting locations, dates, and times will be well publicized and will be arranged to allow

for the public as well as interested agencies and organizations to attend and formally express their views on the scope and significant issues to be studied as part of the DEIS process. The Scoping Meetings are also being held to provide for timely public comments and understanding of federal plans and programs with possible environmental consequences as required by the National Environmental Policy Act of 1969, as amended, and the National Historic Preservation Act of 1966, as amended.

Availability of DEIS

Public notice will be given concerning the availability of the DEIS for public review and comment.

Title of Proposal: Savings Association Holding Company Report H-(b)11.

OMB Number: 1550-0060.

Form Number: H-(b)11.

Regulation requirement: 12 CFR 584.1(a)(2).

Description: The H-(b)11 form is used to aid OTS in determining whether savings and loan holding companies are engaging in activities that may prove injurious to any subsidiary savings

association, as well as to applicable statutes and regulations. We are seeking only a six-month renewal of the current form, to March 31, 2004, as we are in the process of streamlining the form in conjunction with an expansion of holding company information to be gathered through the quarterly Thrift Financial Report. The streamlined H-(b)11, which we anticipate reducing the current 22 information request items to only four, would take effect April 1, 2004, in conjunction with the expanded Thrift Financial Report. The new H-(b)11 form is expected to be submitted for public notice by October of 2003.

Type of Review: Renewal.

Affected Public: Savings association holding companies.

Estimated Number of Respondents: 963.

Estimated Frequency of Response: 2 (using the current form).

Estimated Burden Hours per Response: 15.5 hours.

Estimated Total Burden: 29,853 hours.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

OMB Reviewer: Joseph F. Lackey, Jr., (202) 395-7316, Office of Management and Budget, Room 10235, New Executive Office Building, Washington, DC 20503.

Dated: September 15, 2003.

By the Office of Thrift Supervision.

James E. Gilleran,

Director.
